# Mistral

DEHUMIDIFIER

# The powerful, yet compact climate controller.

## Meet mistral

Control the air humidity level in your home and prevent the growth of mold and bacteria with this state-of-the-art dehumidifier! With its whisper quiet operating, Mistral can remove up to 15L of moisture per day and is equipped with a LED hygrostat display to set the desired humidity level at 5% accuracy. Mistral's elegant simplicity is reflected by its sleek black & white casing with a footprint no bigger than a piece of A4 paper. Out of sight features such as caster wheels, a 2.5L water tank, continuous draining hose and pop-up handle allow ease and convenience for everyday use.
